

Entertainment Communications Equipment Rental – NYC

Reference No. 10032

Revenues: \$550,000

Cash Flow: \$260,000

Asking price: \$875,000

Opportunity Summary

This highly profitable business provides mobile communications equipment for movie location shoots and other location projects. Founded in 1979 and based in NYC, this is one of the premier suppliers for New York productions as well as productions elsewhere. This company has supplied countless blockbuster movie and television projects. The company has equipment assets valued at over \$700,000. This is a terrific opportunity to participate in the exciting entertainment industry. The asking price is well justified by the value of the assets, strong cashflow, and great potential for further growth. This is an excellent opportunity for an entrepreneur looking to invest in a profitable, well-established, and exciting business as well as for a company in a related field looking to expand their presence.

Competition

This company has an excellent reputation for service and reliability. Only one or two of competitors can claim to provide comparable service levels in the New York area.

Opportunities

This business has significant growth potential for an aggressive owner. The company has achieved its current levels of revenues and profitability with only part-time involvement from the owner. Opportunities exist for geographic expansion as well as other location needs such as events and still location shoots.

Facilities

The business is located in a prime Manhattan location. It currently occupies 1,600 sq. feet of space in a newly renovated building. The current office space is more than sufficient for administration, meeting and equipment storage. The business also could be easily relocated.

Seller Involvement

Seller is willing to help with transition.

Seller Financing

Seller financing may be available to the right buyer.
