

High Fashion Design & Manufacturing Company

Reference No. 10112

Revenues: \$1,700,000
Cash Flow: \$600,000
Asking price: \$850,000

Opportunity Summary

This well-known embroidery design and manufacturing business caters to the biggest fashion houses in New York City. Since its inception over 50 years ago, this New York City based business has earned a reputation for top-quality design and production and has built a loyal base of blue-chip clients. The company specializes in designing and producing samples for the top US couture and eveningwear designers. The company's assets include a staff of highly skilled embroidery designers and makers, quality equipment, inventory, and outstanding clientele. The asking price is well justified by the company's many years in business, the value of the assets, strong cashflow, and great potential for further growth. This is an excellent opportunity for a strategic buyer seeking to expand into this area and for an individual buyer looking to invest in a profitable, well-established, and exciting business.

Competition

Direct competition in the US is virtually non-existent. There are a number of competitors overseas, but without US production facilities, they operate at a competitive disadvantage to this company in its home market.

Opportunities

This business has enormous growth potential for an aggressive owner. With a superb reputation for quality and top-notch clientele, there is ample opportunity to expand into larger scale production.

Facilities

The business is well located in a busy commercial neighborhood of New York City. It occupies over 12,000 sq. feet of office, showroom, design, and production space.

Seller Involvement

Seller is willing to help with training and transition, as necessary.

Seller Financing

Seller financing is available to the right buyer.
