

Moving Company

Reference No. 10133

Revenues: \$720,000
Cash Flow: \$275,000
Asking price: \$275,000

Opportunity Summary

This interstate moving company is located in the Mid-Hudson Valley region of New York. The company specializes in long distance moves. The business has earned a reputation for competitive prices and excellent service. The operation's very low overhead enables it to offer lower prices than its competitors. A majority (85%) of the company's business is derived from the internet, through its well developed website. The sale includes the company's 4 trucks (~ \$70,000 value), which are 28ft, 26ft, 24ft, and 24ft. The asking price is well justified by the value of the assets included in the sale and the further growth potential of the business. This opportunity is suited for a strategic buyer looking to expand geographically or for an individual seeking a profitable and growing business in a scenic region of New York.

Competition

There are other similar businesses in this area. However, this moving company distinguishes itself by offering lower moving prices (because of the company's low overhead) with excellent service to its customers.

Opportunities

There is tremendous growth potential for the business. Both increased local advertising and the addition of more trucks would lead to greater revenue.

Facilities

The moving company leases office space and a separate yard location for its trucks and equipment. The sale includes the company's 4 trucks (~ \$70,000 value), which are 28ft, 26ft, 24ft, and 24ft. Also, included in the sale is the equipment (\$10,000 value), the inventory of packing supplies (\$3,000 value), computers, and office furniture.

Seller Involvement

Seller is willing to help with the transition.

Seller Financing

Seller financing is available.
